7:15am - 8:00am - Vinny  
8:00am - 8:45am - Dorothy  
8:45am - 9:30am - Judy  
9:30am - 10:15am - Jewels  
10:15am - 11:00am - Brandi  
11:00am - 11:45am - Laura  
11:45am - 12:30pm - Deb

11:30 am

**PREPARE FOR PHOTOGRAPHERS TO ARRIVE**

**BRIDE'S SIDE**

- Have accessories ready to go in one spot prior to photographer coming (stationery invites, accessories, shoes, veil, gown, any heirlooms, etc)
- Have maid of honor in charge of having all of these things in one area ready to go

**GROOM'S SIDE**

Have accessories ready to go!

- Prior to photographer's arrival, groom must be fully groomed and have pants on, shirt buttoned up, one cufflink on, and no shoes. Photographer will capture images of you getting dressed by best man/dad "tying the bow tie," and assisting you put on your vest/jacket, other cufflink. You will put your own shoes on.

|          |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
