Point of Contact/Wedding Planner: Bea Sharp c: 808-781-3537 e: bea@occasionsbybp.com

PARKING & LOADING INSTRUCTIONS

Ceremony

1. If using Google Maps or Apple Maps: GPS should take you directly to the Immaculata.
2. Please park anywhere that does not have a reserved sign.

Reception

1. If using Google Maps or Apple Maps: GPS should take you directly to the Ultimate Skybox. The building will be to your right.
2. Vendor unloading is a 3-minute zone in the white part of the curb in front of the building
3. Parking is in the underground garage labeled "Diamond View Tower."
4. Take your parking ticket with you to the 15th floor to be validated by me. The Ultimate Skybox provides complimentary parking to all vendors only and the couple. The Skybox does not reimburse for parking under any circumstances.
5. When leaving the parking garage, scan the barcode of your ticket first, THEN scan the validated sticker we provided you after.
6. I ENCOURAGE you to "tour" the area on google earth if you need additional information.
7. *On the wedding day, please call my cell if you have any issues or questions.*

Visual parking instructions for the immaculata

1. The above highlighted arrows indicate where your GPS will take you when arriving at the Immaculata. These areas are where you can park your car.

1. Area highlighted in green is where the GPS will take you and where you can park.

Visual instructions for loading personal items at the ultimate skybox

1. The box labeled in blue is the loading dock strictly for rental companies and caterers to use.
2. Rental companies always have priority first as they usually take about an hour to bring up tables and chairs to the 15th floor.
3. Once the rental company finishes taking their items to the 15th floor and leaves, the catering truck may park there the rest of the night until the rental company returns to pick up their items.
4. The area labeled in green is where all other vendors/guests may temporarily park their car (with blinkers on) as they unload their items and take them to the freight elevator.
5. The freight elevator is located all the way inside the loading dock (blue box).
6. Once you are done unloading your items, you may go back to your car to park in the parking garage (see next page).

1. This is the direction to the freight elevator. There is a gray door that you may go through that will take you directly to the lobby. Once you get to the lobby, let security know you are part of the wedding, and phone Bea so she can come down with a cart to assist you in taking your items up the freight elevator.

1. The area in green is where you will leave your car (with blinkers on) to unload your items. Afterward, you may take your car to the underground parking garage (follow the yellow arrows).
